

International Centre of Excellence in
Water Resources Management
ICE WaRM

**Ever considered the benefits
of hosting an
ICE WaRM scholar?**

ICE WaRM Industry Placements Programme

Benefits of hosting a student:

- Cost-effective way of completing work or research
- An opportunity to identify new talent
- Access to modern skills, fresh perspectives and the new generation of experienced water professionals
- Opportunity to form business relationships with national and international markets
- Scholars are knowledgeable and enthusiastic
- Placements can be long or short term
